

“American Horror Story”

Version 2.1 (Sept. 2018 #2)

In this version:

- Added a new alternative P (as seen in the “Apocalypse” logo) to ss03 and ss04.
- Added a new font style, called “Promo”, which includes some of the characters seen in the Stylistic Alternatives into the main Basic Latin glyph set, for users with difficulty locating/using Stylistic Alternatives. This version keeps the discretionary and standard ligatures, but loses all alternative StyleSets. Users wishing to make use of the
- Removal of the TrueType version (which included the alternative characters in Latin Full Width Forms and Greek glyph sets), as we ultimately found this to be confusing and cluttered.
